Subject : Fluid KUNLUN

Kind attn : Mr. Gong Weijun

Dear Sir,

With reference to the documents submitted, the subject fluid is approved for being included on our list DENISON approved fluids for :

**HF0, HF1, HF2**  
**Approval number : 120**

This number correspond to a confidential formulation with DENISON.  
Technology tested : Hitec 521 @ 0.85% in DALIAN Group 1 base stock.

This fluid will be listed under the brand name....	<b>KUNLUN</b>
The manufacturer to be listed as.....	<b>PetroChina Lubricant Company</b>
The ISO classification as.....	<b>HM</b>
The approved grade as.....	<b>ISO VG 32, 46 &amp; 68</b>
The listing date will be.....	<b>August 2001</b>
Test passed.....	<b>T6C020 &amp; P46</b>

Please note the product will be on the list until **August 2011**, the listing being for a limited period of 10 years. It can be extended for an additional 5 years by notifying us in writing that the fluid is still actively marketed. That notice should occur during the last six months of the initial listing period. This later condition is due to the fact that many fluids on the list are no longer available and we try to make it a more usable document.  
Hoping this will not cause any inconvenience

Best Regards

Philippe Parreau
